

OZONE WORKSHOP

Dr Frank Shallenberger

(MD, HMD, ABAAM)

**President, American
Academy of Ozone Therapy**

8, 9, 10 December, 2023 | Chennai

The background of the slide features a teal-colored surface with several coins scattered across it. The coins are slightly out of focus, creating a sense of depth. A solid purple horizontal band runs across the middle of the image, serving as a backdrop for the main title.

MODULE 1

Ozone Certification Course

Module 1 includes:

Ozone Therapy Training & Certification.

*This course is a prerequisite to the Prolozone course

This course addresses these topics:

- Health, Aging, Disease, And Mitochondrial Function
- Chemistry Of Mitochondrial Function
- Causes Of Decreased Mitochondrial Function
- Measuring Mitochondrial Function & Oxygen Utilization
- History Of Ozone Therapy
- Chemistry Of Ozone Therapy
- Physiology Of Ozone Therapy
- Mitochondrial Resuscitation
- Hemoxygenase Induction
- Nrf2 Induction
- Immune Modulation And Cytokine Stimulation

- Anti - Oxidant Effects
- Circulatory Effects
- Nutritional Implications For Ozone Therapy
- Improving Mitochondrial Function With Ozone Therapy
- Clinical Applications And Case Presentations
- Cardiovascular Disease
- Chronic And Acute Infections
- Macular Degeneration
- Aging
- Chronic Hepatitis
- Chronic Lyme Disease
- Herpes I & II
- Oncology
- Interstitial Cystitis
- Chronic Fatigue
- Dental Applications
- Auto - Immune Disease
- Gastro - Intestinal Disease
- Allergies
- Chronic Sinus Infection
- Chronic Pain
- Regenerative Medicine
- Multiple Sclerosis
- Chronic Fungal Infections
- The Science Of Ozone Generating Equipment
- Ozone Therapy Applications
- Major Auto Hemotherapy With Demonstration
- Rectal Insufflation
- Ozone Sauna Therapy
- Topical Ozone Therapy
- Ozonated Saline Therapy
- Ear Insufflation
- Sinus Insufflation
- Inhaled Ozone Therapy

MODULE 2

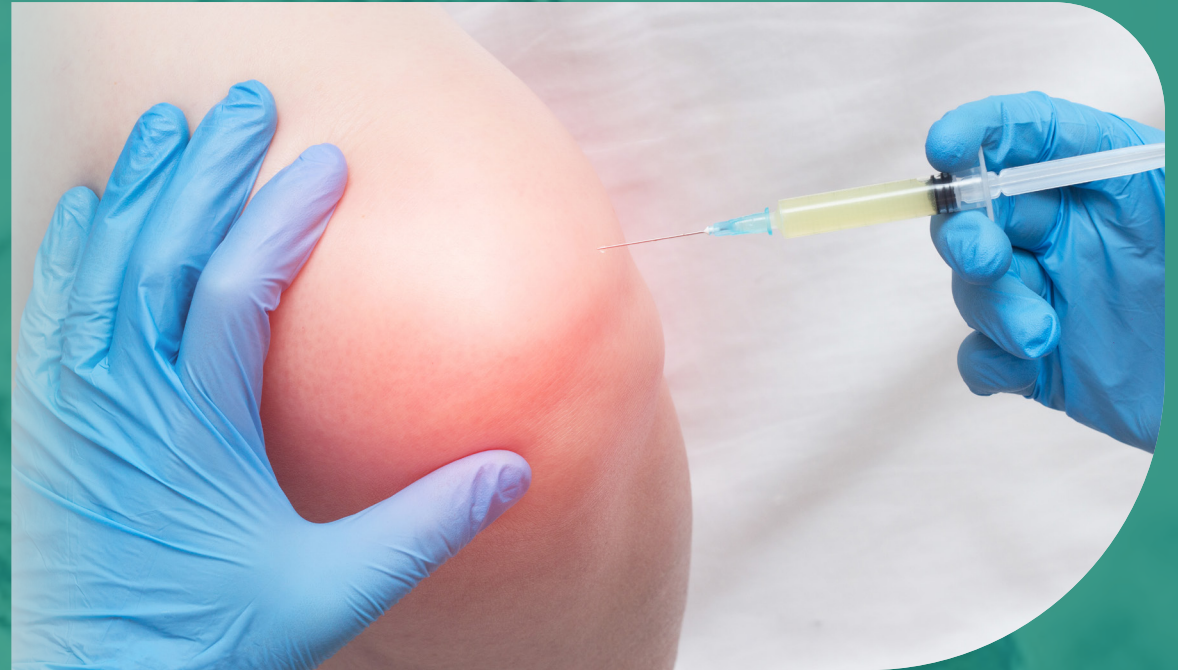

Beginning Prolozone® Course

Module 2

Dr. Shallenberger is the innovator and inventor of the Prolozone® technique. When you learn Prolozone® from Dr. Shallenberger you are learning from the man who pioneered it.

Prolozone® is a homeopathic/ozone injection technique.

The Beginning Prolozone® Course will teach you how to treat shoulders, hips, knees, ankles, carpal tunnel, plantar fasciitis, soft tissue, and scars. You won't believe what can be done with a needle and a little ozone!

This course covers:

- Introduction to Prolozone® Therapy
- History of Prolozone® Therapy
- How Does Prolozone® Regenerate Joints?
- How Does Prolozone® Eliminate Pain?
- Clinical Guidelines for Prolozone® Therapy

This is the only AAO-approved certification course for Prolozone® in the world.

Anything associated with pain:

chronic neck and back pain, rotator cuff injuries, degenerative and arthritic hips and knees, degenerated discs, plantar fasciitis, carpal tunnel syndrome, TMJ, sciatica, heel spurs, neuromas, tennis elbow, sciatica, sinus, infections, pelvic disorders, dental infections, post surgery, non-union fractures, scars, and any sports injury, pelvic floor syndrome.

- Clinical References For Tissue Therapy With Ozone
- Prolozone® Therapy And Sclerotherapy
- Prolozone® Formulas And Indications
- Live Demonstration
- Subq Technique
- Shoulder Examination And Injections
- Hip Examination And Injections
- Knee Examination And Injections
- Ankle Examination And Injections
- Foot Examination And Injections
- Trigger Point Injections

*This course is a prerequisite to the Advanced Prolozone® course

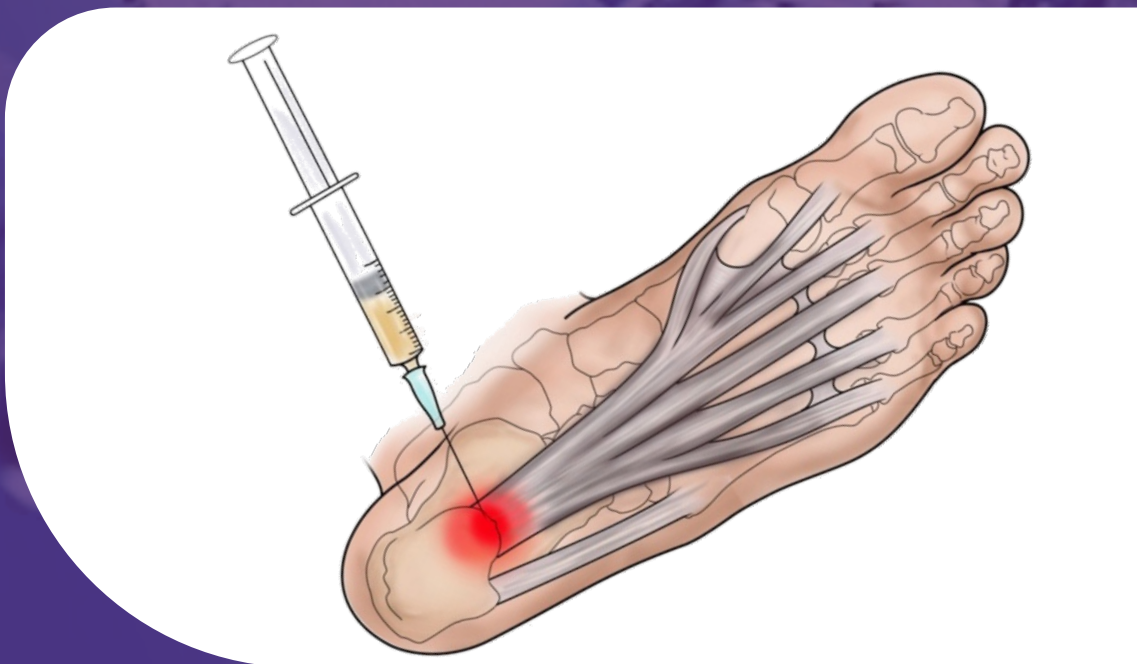

MODULE 3

Advanced Prolozone® Course

Module 3

The Advanced Prolozone Course is designed to take all of those practitioners who have been successfully treating painful joints with ozone injections to the next level. Advanced Prolozone builds on your Beginning Prolozone (aka Phase I) training. In this course you will learn how to treat pelvic disorders, necks, backs, dental applications, and to use ozone for sinus therapy.

This is the only certification course for Prolozone® in the world.
